Seeking Internships & New Grad Opportunities

Paid internships can change a young person's career trajectory and help them gain confidence while gaining real-world experience.

If your company provides paid internships and hires new graduates, we can provide a vetted pipeline of diverse skilled talent. Please contact Jasmyn Masters-Culpepper, Program Manager for Internships and Career Placement, at [jasmyn@stemadvantage.org](mailto:jasmyn@stemadvantage.org)

Photos (top to bottom):

- Rachel, Linda, Samantha, and Zainab were summer interns at Accenture
- Sophia, Evelyn, and Anaya were summer interns at Inari Medical
- Chris, Kia and Edgar with David Buckholtz, Senior Vice President, Head of

End User Support & Productivity at Sony. Chris and Edgar graduated and work full-time at Sony. Kia started as a summer intern and was extended for Fall semester. David is on our STEM Advantage Board of Directors.

- Aleeya was at Applied Medical, where she was an Engineering intern on the Thermostat Plant (rubber manufacturing) team

#### Invest in Diverse STEM Talent

Talent is equally distributed, but opportunity is not. STEM Advantage mentors, prepares, and inspires women and underserved communities to pursue STEM careers. We provide economic and social mobility to underserved groups, while providing a vetted pipeline of diverse talent to businesses to fill their workforce needs. In 2021, Los Angeles Business Journal honored STEM Advantage as Diversity, Inclusion + Equity Nonprofit of the Year!

100% of your tax-deductible gift supports STEM Advantage Scholars Thank you for making an investment that is changing lives.
