# STEM ADVANTAGE

ADVANCING EQUITY THROUGH EDUCATION

## February 2023 Newsletter

### Seeking internships & entry-level jobs

Internships help students gain real-world experience and position them for entry-level jobs when they graduate. If you can provide paid internships (in-person, hybrid, or remote) and/or hire entry-level STEM talent, please contact Jasmyn at [jasmyn@stemadvantage.org](mailto:jasmyn@stemadvantage.org)

### SAVE THE DATE: Saturday, September 9

Please "Save the Date" and join us on **Saturday evening, September 9**, at Sony Pictures Studios for our annual Gala to celebrate our Scholars and hear their stories. We are 10 years old and celebrating all year. We are on a great trajectory and grateful for your support as we embark on our next 10 years.

More details to come, including this year's honorees.

For sponsorship opportunities, please contact Lee Ann at [leeann@stemadvantage.org](mailto:leeann@stemadvantage.org)

### Invest in Diverse STEM Talent

Talent is equally distributed, but opportunity is not. STEM Advantage mentors, prepares, and inspires women and underserved communities to pursue STEM careers. We provide economic and social mobility to underserved groups, while providing a vetted pipeline of diverse talent to businesses to fill their workforce needs.

Los Angeles Business Journal honored STEM Advantage as Diversity, Inclusion + Equity Nonprofit of the Year! 100% of your tax-deductible gift supports STEM Advantage Scholars. Thank you for making an investment that is changing lives.
