Celebrating Women's History Month

Thank you to everyone who joined our Women's History Month Panel & Networking event at Reddit's LA Office on March 30. Our female Scholars and alumnae enjoyed a wonderful evening meeting each other and networking with mentors and other female professionals to build their community.

A very special thank you to our hosts Sade Ojuola and Nicole Gagnon from Reddit, and our panelists, who shared their experiences and advice:

- Maben Jimenez, Associate Principal Director, The Aerospace Corporation
- Arlene Semwezi, Personal Lines IT Director, Farmers Insurance
- Theresa Miller, CIO, Lionsgate

Seeking internships & entry-level jobs

Internships help students gain real-world experience and position them for entry-level jobs when they graduate. If you can provide paid internships (in-person, hybrid, or remote) and/or hire entry-level STEM talent, please contact Jasmyn at jasmyn@stemadvantage.org

SAVE THE DATE: Saturday, September 9

Please join us on Saturday evening, September 9, at Sony Pictures Studios for our annual Scholarship Gala to celebrate our Scholars and hear their stories. We are 10 years old and celebrating all year. We are on a great trajectory and grateful for your support as we embark on our next 10 years. More details to come, including this year's honorees.
