STEM ADVANTAGE

ADVANCING EQUITY THROUGH EDUCATION

May 2023 Newsletter

Congratulations Graduates!

We are incredibly proud of our STEM Advantage Scholars who graduated in May. If you've met our students, you know their future is bright and our future is in good hands. New grads have accepted roles at Deloitte, Accenture, Aerospace Corporation, Farmers, Sony, Avanade, KPMG, Goldman Sachs, Microsoft, Northrop Grumman, and other leading companies. Plus, several are going to grad school.

Thank YOU for making a difference by being a mentor, providing internships and entry-level jobs, conducting professional and career development workshops, being on career panels, and funding scholarships. We appreciate you being part of our community and helping Scholars and Alumni build their network and community.

Thank you, Deloitte!

Deloitte professionals hosted a workshop "The Future is Now: Enhance Your Career Potential" for our Scholars at Deloitte's Los Angeles office on May 23. We are grateful to the Deloitte team for facilitating relevant and timely workshops on "Building Your Brand" and "Business Chemistry." Plus, Deloitte professionals, including a STEM Advantage alumnus, participated on a panel to address students' questions as they prepare for internships and full-time jobs.

Thank you Deloitte for being a wonderful partner and supporting all aspects of our program.
