STEM ADVANTAGE

ADVANCING EQUITY THROUGH EDUCATION

July 2023 Newsletter

Internships

Internships help students gain real-world experience in their major.

Hector, a Computer Engineering major at Cal State Northridge, has an internship with NASA's Safety & Mission Assurance Division, which focuses on the safety of the crew and International Space Station.

Jessica, a Mechanical Engineering major at Cal State Northridge, is working on the propulsion system for the Sample Retrieval Lander.

Kayla, a Computer Science major at Cal Poly Pomona, is a software engineer intern at NASA's Jet Propulsion Lab, where she is developing and maintaining web applications to support the production control team in various stages of manufacturing.

Jessica, a Computer Science major at Cal State Long Beach, is working with the Guidewire Claim Center development team at Farmers. While the internship is remote, the team met in person for a day and had lunch together. Jessica is 2nd from right (flower shirt).

Phillip, a Computer Science major, and Ryan, a Management Information Systems major, both at San Diego State, are IT interns at Qualcomm.

Seeking Internships & Entry-Level Jobs

If you can provide summer 2024 internships and/or hire entry-level talent, please contact Jasmyn at jasmyn@stemadvantage.org

11th Annual Scholarship Gala - Please join us!

Please join us on **Saturday evening, September 9**, at **Sony Pictures Studios** in Culver City for a fun-filled evening of food, drinks & networking to celebrate and support our Scholars. We're honoring Sony Pictures Entertainment and Women in Technology Hollywood this year! Proceeds fund STEM Advantage Scholarships to help women and underserved communities stay in school, earn a bachelor's degree in a STEM field, and graduate with less student debt.

To buy tickets please click here <https://bit.ly/2023-stem>

Thank you to our incredible sponsors and Emcee Frank Mottek. For sponsorship opportunities, contact Lee Ann at leeann@stemadvantage.org

Invest in Diverse STEM Talent

Talent is equally distributed, but opportunity is not. STEM Advantage mentors, prepares, and inspires women and underserved communities to pursue STEM careers. We provide economic and social mobility to underserved groups, while providing a vetted pipeline of diverse talent to businesses to fill their workforce needs. The Los Angeles Business Journal honored STEM Advantage as Diversity, Inclusion + Equity Nonprofit of the Year!

100% of your tax-deductible gift supports STEM Advantage Scholars Thank you for making an investment that is changing lives.
